## **DYSLEXIA PROGRAM & NUMBERS 2017/18 School Year**

### Universal Screening

All 216 Kindergarten through 2<sup>nd</sup> grade students at KIPP Delta Public Schools were evaluated several times during the school year using DIBELS as well as RGR Reading Decoding Survey, and Apple Group Dyslexia screener.

**38 students** were identified as needing reading intervention. Our interventionist served **26 students**.

**8 students** exhibited the characteristics of dyslexia and have been identified for further testing.
