First Name	Last Name	Position
JaJauna	Matlock	Parent/Instructional Assistant
Yvette	Chambers	Parent/Operations Coordinator

1. List various communication strategies used in your school to provide additional information to parents and to increase parent and family engagement in supporting classroom instruction.

1. We send home updates to parents on a weekly basis to share grades, merits, demerits and Field Lessons. Specifically we send a behavior report and a progress report.
2. Each student has a email that is connected to the school to communicate with faculty and staff and their parents about school work and college-going questions.
3. Parents are invited to an Open House each semester to meet with teachers regarding report cards and academic systems. Additionally, we host three report card nights for parents to discuss grades and progress in academics.
4. Students are offered tutoring on a weekly basis to provide intervention and/or enrichment.
5. School information is shared on Facebook, the school's web page, as well as the region's website.
6. Each staff member's phone number and email address are shared with parents and teachers and administrators are available after school.
7. During each parent meeting or school visit, the School Director's card is shared with parents in order to invite communication.
8. KTC staff meets with junior and senior parents to discuss post-secondary plans.

2. List the proposed parent meeting, conferences and activities regularly throughout this year and the dates providing flexible meeting times that you have planned to increase parent and family engagement and build staff and parent capacity to engage in these types of efforts. (Must include the 2 state mandated parent/teacher conferences each year.)

Open House for Parents - August 2, 2018 (For families that cannot attend, we meet with new families one-on-one as students enroll.)

Parent Teacher Conferences, Quarter One Report Cards - October 16, 2018 (Parents who cannot attend are invited to set-up an appointment that works in their schedule.)

Parent Teacher Conferences, Quarter Two Report Cards -January 16, 2019 (Parents who cannot attend are invited to set-up an appointment that works in their schedule.)

Parent Teacher Conferences, Quarter Three Report - March 28, 2019 (Parents who cannot attend are invited to set-up an appointment that works in their schedule.)

Fall Musical Concert - September 28, 2018 (We will share a videotaped presentation on Facebook)

Signing Day - First week of May 2019 (We will share this via a livestream so families who cannot be physically present can watch)

Promotion Ceremony - Last week of May (We will give out awards and share student progress independently.)

KBC will hold meetings at various times of the day to better accommodate families in our communities

3. How will your school provide information to parents about volunteer opportunities (must include state mandated parent training)?

We will share volunteer opportunities at report card nights, communicate via Facebook, and ask for volunteers through extracurricular activities. When parents sign up for volunteering, we will conduct the state-mandated parent training.

4. How will your school work with parents to create a School-Parent-Compact?

We have created a teacher, student, and parent compact called the Commitment to Excellence. This compact requires all parties to work together towards student excellence. The Commitment to Excellence is agreed to by all teachers, parents, and students.

5. How will your school provide opportunities for parents to be involved in the development, implementation and evaluation of the school wide school improvement plan, and the Annual Title I Meeting to engage them in the decision-making processes regarding the school's Title I, Part A Program?

We will work with PTO to take feedback and to evaluate our school wide school improvement plan. We will ask families for input into what they need to help students grow and thrive academically.

6. How will your school provide resources for parents?

We provide resources to parents via social media and our website. Additionally, our families meet with our KIPP Through College team meet quarterly for family meetings about helping students do well in high school and be prepared for college.

7. How will your school engage parents in the evaluation of your parent and family engagement efforts?

Each January, our organization puts a family survey to families that evaluates their satisfaction with a variety of areas including academics, college going, student character, teacher and leader support. We will review this with the leadership team and determine appropriate next steps for areas that measure below the average.

8. How will your school use the parent interest surveys to select, plan and implement parent and family engagement activities that will be offered throughout the year?

As we plan the implementation of our goals, objectives, and activities, we will use the survey results to tailor what we offer to students in order to make sure we capture family needs and voice in what we offer in terms of parent events, extracurricular activities, and incentives.

9. When will your school plan the Annual Title I Meeting that must be conducted separately? (It CANNOT be held in conjunction with any other meetings or activities.)

We will hold our Annual Meeting on October 9, 2018.

****After completion of this form, the school should to the district for review, feedback, and approval. Once approved, the school is required to post their School Parent Plan on their website.***
