Community Resource List – Last Updated 3/26/2020

As our communities continue to support one another during closures, our staff has gathered this list of services (pantries, healthcare, etc.) available in our areas. We will continue to update this list with new information as needed. If you have suggestions or recognize something that needs to be edited, please reach out to Linda Murdock (Helena, Marianna, Marvell, Elaine, Forrest City) at linda.murdock@kipdelta.org or Dontavius Ingram (Blytheville, Osceola, Luxora) at dontavius.ingram@kipdelta.org.
