According to Act 1039, Arkansas law requires reporting of the **Dyslexia program** currently being used by school districts in the state. KIPP Delta is currently using the following assessments and interventions –

### Assessments

STEP – University of Chicago Impact  
DIBELS  
Really Great Reading RGR

### Interventions

Connections  
HILLRAP (The Hill Center)  
Orton- Gillingham approach  
Wilson Reading

## **DYSLEXIA PROGRAM & NUMBERS 2018/19 School Year**

### Universal Screening

All 193 Kindergarten through 2nd grade students at KIPP Delta Public Schools were evaluated several times during the school year using DIBELS as well as RGR Reading Decoding Survey, and Apple Group Dyslexia screener.

**38 students** were identified as needing reading intervention. Our interventionist served **26 students**.

**8 students** exhibited the characteristics of dyslexia and have been identified for further testing.
