PROPOSAL TO CORRECT DEFICIENCIES

KIPP Delta will focus on the following key strategic areas in the 2019-20 school year:

1. KIPP Delta will focus on its strategic anchors of **Love, Literacy, & Leadership.**

- **LOVE:** We will use assets-based parent communication and classroom culture to build the strengths of our families and students.
- **LITERACY:** Our KIPPsters will outperform the state on the ACT Aspire exam and grow at rates that allow them to be ready for college.
- **LEADERSHIP:** The strengths of each individual staff member will be leveraged to meet challenges and ensure continued growth and improvement.

2. KIPP Delta will continue the implementation of the **“Core 12”** — key principles and practices in place at all KIPP Delta schools, with a particular focus on:

- **Common field lessons** will allow students to connect their classroom learning to real-life experiences with their team and family across the region.
- **Common curriculum** will be in place across the region, in recognition that a guaranteed and viable curriculum is the school-level factor with the most impact on student achievement.
- **Consistent expectations** for students — from school to school, class to class, cafeteria to buses, etc. will be prioritized across our schools.
